

COVID-19 (TEMPORARY) BY-LAW

All persons over 16 years of age who attend the Club's licensed premises, including but not limited to members, guests, visitors and contractors, must be fully vaccinated against COVID-19 and must be able to provide government-issued evidence of their full vaccination status as a condition of entry until further notice. Children under 16 years must be accompanied by a fully vaccinated responsible adult.

These requirements will be enforced at all points of entry into the Club's premises. A person may be exempted from the requirement to be fully vaccinated by the Club if the person provides government-issued evidence consisting of a medical contraindication certificate issued to the person, or has a medical contraindication recorded on the Australian Immunisation Register that prevents the person from receiving any approved COVID-19 vaccine.

For the purposes of this By-Law:

"fully vaccinated" means:

- (a) the person has had 2 doses of a COVID-19 vaccine; or
- (b) the person has had 1 dose of a COVID-19 vaccine for which a single dose is a complete course.

Effective on and from - 15 December 2021

For and on behalf of the Board of Directors
